

Fifth Grade Homework Policy

Follow these simple steps for great homework habits!

- Write your assignments in your homework planner each day.
- Be sure to pack all your materials to complete your assignments in your backpack.
- Complete your assignments in a quiet, well-lit place.
- Finish one assignment before beginning another.
- Carefully check over each assignment.
- Have a parent sign your homework log after you complete your homework.

Please note:

- Incomplete or missing homework, without a parent note, will result in five points deducted from the homework grade for that assignment each day until complete. After three days, an incomplete assignment will be given a zero.
- Recess time will not be utilized to make up homework.
- Please refer to the Dawson Elementary School Student Handbook for the vacation homework policy.
